Such pro-rata share of any such security or protection system costs shall be paid and enforced by the Homeowners Association like any other assessment made by said organization.

9. A plot plan showing the position of the house on the lot must be presented for approval before any clearing is done of any trees or the lot is graded or changed in any manner. In addition, a sketch plan showing the front and rear elevations must be presented for approval before the house plans can be approved by the architectural review committee.

13. No lot owner, excluding Declarant, shall excavate or extract earth for any business or commercial purpose. No elevation changes shall be permitted on any lot which materially affects surface grade of said lot or surrounding lots, unless approved in writing by the Declarant or the Architectural Review Committee.

14. No radio or television transmission or reception towers, disks, satellite dishes, or antennas shall be erected on the property, unless approved by the Architectural Review Committee.

As a matter of guidance, no such antennas, or dishes, or receivers of any kind or nature, shall be erected, or placed so that they are visible from the Street fronting the lot. In addition all heating and air conditioning units shall be installed, or screened by shrubbery, and/or fencing approved by the Architectural Review Committee, so that same will not be visible from the front street.

15. Neither Declarant nor any member of the Architectural Review Committee shall be responsible or liable in any way for any defects in any plans or specifications submitted and approved by the Architectural Review Committee or Declarant, nor for any structural defects in any work done according to such plans or specifications. Further, neither Declarant, nor any member of the Architectural Review Committee shall be liable in damages to anyone submitting plans or specifications for approval under these restrictions or to any owner of property affected by this declaration by reason of mistake in judgment, negligence or nonfeasance arising out of, or in connection with the approval or disapproval, or failure to approve or disapprove of any such plans or specifications. Every person who submits plans or specifications to the Declarant, or Architectural Review Committee, agrees by submission of such plans or specifications, and every lot owner agrees, that he/she/it will not bring any action or suit against the Declarant, or any member of the Architectural Review Committee, for recovery of any such damages, of any kind or nature.

In the event of violation or breach, or threatened violation or breach, of any of the same, the Declarant, and/or the Architectural Review Committee, or any aggrieved lot owner, jointly and severally, shall have the right to proceed in law or equity for the recovery of damages, or for injunctive relief, or both.

18. If any sentence, clause or paragraph of this Declaration shall be found by a Court of competent jurisdiction to be invalid or unenforceable, it shall in no way affect the validity or enforceability of any other sentence, clause or paragraph thereof.

19. The Declarant reserves to itself, its successors and assigns, the right to relocate, open or close streets in the subdivision, and to review, re-subdivide and change the size, shape, dimensions, and locations of lots and streets, whether shown on a recorded plat, a promotional display or a lot layout plan; provided, however, that no lot sold prior to such revisions, relocation or

It is further expressly understood that the property owner will keep his/her/its lot clean, neat, mowed and free of overgrowth, trash or debris and that if same is not put in such condition within thirty (30) days after written notice of from the Architectural Review Committee, then the developer (Declarant) shall have the right to take such steps and corrective action to have said lot cleaned, mowed or cleared at the sole expense of the property owner, who consents to pay any such costs by accepting title to such property subject to these protective covenants. Failure of the property owner to reimburse developer (Declarant) for such cleaning expenses shall entitle developer (Declarant) to take action to obtain a judgment for same, with all costs associated therewith being taxed and assessed against the lot owner, including reasonable attorney's fee and court costs associated with same.
