In the event said Architectural Review committee fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will be deemed to have been denied.

**ARTICLE IV
GENERAL PROVISIONS**

The following provisions are applicable to all Owners and all Lots within Hampshire Estates:

1) No lot shall be used except for single family residential purposes. No building shall be erected, altered, placed or permitted to remain on any lot other than one single family residential dwelling or one two-family residential townhouse not to exceed two (2) stories in height, and other out buildings incidental to the residential use of the lots, provided that all accessory buildings must have the same roof covering as the residential dwelling. Each unit of the townhouse must contain at least 1,000 square feet of floor space, exclusive of basements, porches, garage or carport. The Architectural Review Committee shall have the discretion, but shall not be required, to grant variances not to exceed 10% of the above stated minimum square footage requirement.

2) No building, fence, landscaping or other structure or improvement of any kind shall be begun, erected or placed on any of the lots subjected to these covenants until the building plans, specifications, design and plat plan showing the location of such building, fence or structure on the lot in question has first been approved by the Architectural Review Committee in writing as to the conformity and size, type and quality, and as to the harmony of design, and as to the location of the building, fence or structure with respects to topography and finished grade elevation.

3) No building or other structures shall be located on any lot nearer to the front, rear, or side property line than 20 feet. For the purpose of this covenant, eaves, steps and other open porches shall not be considered as part of a building, provided, however, that this shall not be construed to permit any portion of a building, or a lot, to encroach upon another lot. The Architectural Review Committee shall have the discretion, but shall not be required, to grant variances not to exceed 20% of the above stated side lines and set backs.

4) No lot may be added to, subdivided or reduced in size from that which is shown on the hereinabove recorded subdivision plat unless approved in writing by the Architectural Review Committee.

6) No noxious or offensive activities shall be carried on upon any lot, nor shall anything be done thereon which may be, or become, an annoyance or a nuisance to the neighborhood.

7) No concrete fence or concrete block fence shall be allowed on any lot whatsoever. No wire or chain link fence shall be placed on any lot unless first approved in writing by the Developer. Dog pens may be placed on a lot only with the prior approval of the Architectural Review Committee.

8) No Satellite dish exceeding 30 inches in diameter shall be placed upon any lot, and the placement of any satellite dish must be approved by the Architectural Review Committee prior to installation.

9) No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other out buildings shall be used on any lot at any time as a residence either temporarily or permanently.

10) No livestock, poultry, or other animals shall be kept on any lot except for household pets which are not used or bred for commercial purposes and which do not constitute a nuisance or annoyance to the neighborhood.

11) No signs of any kind shall be displayed to the public view on any lot except one sign of not more than five (5) square feet advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction of any lot for sale, and/or one appropriate sign indicating the name of the owner or resident of the subject lot and the number and name of the street. No signs may be attached to any trees and any such signs hereinabove referred, must be approved in advance by the Architectural Review Committee.

12) No garbage nor domestic trash shall be disposed of by burying on any lot and no lot shall be used as a dumping ground for rubbish. Trash, garbage, or other waste material shall be kept in a sanitary covered container behind the residences and out of sight of the street. All incinerators or other equipment for the storage or disposal of such material shall be kept in a clean and sanitary condition.

13) No individual well for drinking water or sewage disposal system shall be permitted on any lot unless such system is allowed, designed, located and constructed in accordance with requirements, standards and recommendations of the South Carolina Department of Health and Environmental Control. Approval of such system must be obtained from such authority before any use may be made thereof.

14) Any approval or disapproval as required in these covenants shall be in writing and signed by the appropriate officer, agent or designee of Declarant. In the event the Architectural

Review Committee appointed by Declarant, or the designated representative thereof, fails to approve or disapprove within thirty (30) days after plans and specifications have been submitted to it, then such plans or specifications shall be deemed to have been disapproved.

15) There is hereby imposed on each of the lots and tracts shown on the plat (hereinafter "Lots") a perpetual, but non-exclusive, easement and right-of way over and upon the private roads designated on the Plat as Dartmouth Drive and Granite Court for purposes of ingress and egress between each lot and to Alice Drive, the exact location, metes, bounds, courses and distances of said Dartmouth Drive and Granite Court being shown upon the Plat. The said easement and right-of-way is hereby granted and released unto the owner of each of the Lots, their respective successors and assigns forever, to have and to hold the said easement and right-of-way for the uses and purposes set forth in this section. The said easement and right-of-way herein granted to the owners of each Lot shall extend to the said owners, the respective licensees and invitees of each of the said owners, and to all federal, state and local governmental entities and to all public utilities providing services to any of the Lots or the owners thereof, or carrying out the official duties, functions and responsibilities of any such entity.

16) The owner of each Lot shall pay his/her/its pro-rata share of the cost of maintenance of the easement and right-of-way granted in the foregoing paragraph so the said easement and right-of-way shall be reasonably trafficable by normal pedestrian and motor vehicle traffic to include, but not limited to, private motor vehicles, fire trucks, ambulances, school buses, and police and law enforcement automobiles, and that the amounts due for such maintenance shall constitute a charge and lien upon each respective Lot and a liability to the owner thereof for the amount of such maintenance allocated to that respective Lot by the provisions of this section. Decisions concerning the maintenance of the said easement and right-of-way shall be as reasonably determined by the owners of the majority of the Lots, with one vote allocated to each Lot, to be voted by the owner thereof. Further, if ad valorem taxes or other property taxes are assessed with respect to the right-of-way, the owner of each Lot shall pay his/her/its pro-rata share of such taxes. The pro-rata share of each owner of a lot shall be a fraction, the numerator of which is the number of lots owned beneficially by such owner, and the denominator being the total number of lots shown on the Plat. After the initial construction of such right-of-way, the Developer shall not have any right to participate in voting on maintenance, repairs and/or modifications of the right-of-way. Any liability of the owner of each lot under this paragraph shall terminate at such time, if any, as the City of Sumter accepts Dartmouth Drive and Granite Court into the City's road system and assumes responsibility for the maintenance of Dartmouth Drive and Granite Court, except with respect to maintenance costs incurred prior the City's acceptance of Dartmouth Drive and Granite Court.

17) When the ownership of any of the lots within this subdivision is transferred, the deed of record shall contain the following language:

THE ROADS PROVIDING ACCESS TO LOTS IN THIS SUBDIVISION ARE PRIVATELY OWNED AND MAINTAINED, AND ARE NOT MAINTAINED BY THE CITY SUMTER AND MAY NOT BE IN THE FUTURE. OWNERS OF LOTS IN THIS SUBDIVISION ARE FINANCIALLY OBLIGATED TO MAINTAIN THE ROADS FOR THE BENEFIT OF ALL PROPERTY OWNERS IN HAMPSHIRE ESTATES; PROVIDED, HOWEVER THIS OBLIGATION SHALL TERMINATE AT SUCH TIME, IF ANY, AS THE CITY OF SUMTER ACCEPTS DARTMOUTH DRIVE AND GRANITE COURT INTO THE CITY'S ROAD SYSTEM AND ASSUMES RESPONSIBILITY FOR THE MAINTENANCE OF DARTMOUTH DRIVE AND

GRANITE COURT, EXCEPT WITH RESPECT TO MAINTENANCE COSTS INCURRED PRIOR THE CITY'S ACCEPTANCE OF DARTMOUTH DRIVE AND GRANITE COURT.

18) Any deed conveying interest in any lot within this subdivision shall also conspicuously contain the following language, with an acknowledgment to be signed by the grantee(s):

THE REAL PROPERTY DESCRIBED IN THIS DEED IS SUBJECT TO RESTRICTIVE COVENANTS RECORDED IN THE OFFICE OF THE REGISTER OF DEEDS FOR SUMTER COUNTY IN VOLUME __ AT PAGE __. THESE RESTRICTIVE COVENANTS PROVIDE, AMONG OTHER THINGS, A FINANCIAL COMMITMENT TO MAINTAIN COMMUNITY ROADS (DARTMOUTH DRIVE AND GRANITE COURT) UNTIL SUCH TIME, IF ANY, AS THE CITY OF SUMTER ACCEPTS DARTMOUTH DRIVE AND GRANITE COURT INTO THE CITY'S ROAD SYSTEM AND ASSUMES RESPONSIBILITY FOR THE MAINTENANCE OF DARTMOUTH DRIVE AND GRANITE COURT. THESE RESTRICTIVE COVENANTS ARE SPECIFICALLY ACKNOWLEDGED BY THE GRANTEE(S) HEREIN.

[Name of Grantee(s)]

19) Enforcement shall be by proceedings at law or in equity against any person or persons violating, or attempting to violate, any covenant contained herein, and may be brought either to restrain violation, or to recover damages.

20) Invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

21) All boats, trash cans, garbage receptacles, motor homes, recreational vehicles, trailers or trailer hitches and similar propelled and non self-propelled vehicles shall be parked or stored in the rear of the dwelling on any lot where possible and out of sight from the street so as not to detract from the appearance of the subdivision.

22) No inoperative vehicles are permitted on said lots in excess of thirty (30) days.

23) All structures on any lot shall be completed within nine (9) months from the date of ground breaking, or commencement of construction whichever occurs first, unless the time is otherwise extended by the Declarant, its successors or assigns, or by its designated representative, the Architectural Review Committee.

24) All landscaping and decorations facing the road on which a Lot is located shall be approved by the Declarant, or its designated Architectural Review Committee.

25) No mobile homes, trailers, or similar type housing units shall be permitted in the Subdivision on any lot hereinabove referred. Determination of what constitutes any of the above type of homes shall be made by the Architectural Review Committee and is final.

26) The Declarant reserves the right to subject the real property, hereinabove described, in this subdivision to a contract with the Electric utility serving said Subdivision for the installation of underground electric cables or above ground poles and wires.

27) The Declarant, or any lot owner, shall have the right to enforce, by an proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure of any Owner to enforce any covenant or restriction herein contained shall in no event to be deemed a waiver of the right to do so thereafter.

28) Neither Declarant nor any member of the Architectural Review Committee shall be responsible or liable in any way for any defects in any plans or specifications submitted and approved by the Architectural Review Committee or Declarant, nor for any structural defects in any work done according to such plans of specifications. Further, neither Declarant nor any member of the Architectural Review Committee shall be liable in damages to anyone submitting plans or specifications for approval under these restrictions or to any owner of property affected by this declaration by reason of mistake in judgment, negligence or nonfeasance arising out of or in connection with the approval or disapproval, or failure to approve or disapprove of any such plans or specifications. Every person who submits plans or specifications to the Architectural Review Committee agrees by submission of such plans or specifications, and every lot owner agrees that he/she/it will not bring any action or suit against the Declarant or any member of the Architectural Review Committee to recover any such damages.

29) Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

30) The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years.

ARTICLE IV MEMBERSHIP AND VOTING RIGHTS

Section 2. The Association shall have two classes of voting membership:
