

## **Woodridge ARC Guidelines**

**All structural additions, alterations, improvements, fences, sheds, pools require prior written approval per Article VI Architectural Control**

**Fences may be 6' wood privacy fences or 6' PVC fences**

Fences must be maintained in a like new condition and should be stained an approved color.

### **Sheds:**

May be wood, vinyl or aluminum sided. Must be painted to match or blend with the house. The roof should be shingled to match the house

### **Pools:**

May be in ground or above ground

### **Exterior Color**

Any color changes to the exterior of the home must be prior approved by the ARC. This includes the front door.

### **Doors:**

Storm and screen doors allowed without Arc provided the color matches with the current color scheme
